This is such a feminine cow! She's always easy to spot in the pasture with her pretty brindling and beautiful horn set that measures 87" tt and 101" total. She's never any trouble to work or move. Taco has always been a consistent breeder and had the last five calves in October. She's got a good udder and raises a nice healthy calf each year. She has a bull calf at side by the big black bull Black Market C&B, a WS Vindicator son out
